

CURRICULUM VITAE

CHENYONG MIAO

Quantitative Life Sciences Initiative
Center for Plant Science Innovation
Department of Agronomy & Horticulture
University of Nebraska-Lincoln

Office: N231 Beadle Center
Phone: (402) 419-4958
Email: cmiao@huskers.unl.edu
Web: schnablelab.org

Employment

Research Assistant, Department of Agronomy and Horticulture, University of Nebraska-Lincoln 2016-present.

Research Assistant, Genomics and Biotechnology Center, Fujian Agriculture and Forestry University 2013-2016.

Education

Graduate, Agronomy (with James C. Schnable), University of Nebraska-Lincoln, 2016-present.

MS, Bioinformatics (with Haibao Tang), Fujian Agriculture and Forestry University, 2013-2016.

BA, Biotechnology, Henan University of Science and Technology, 2009-2013.

Presentations

0.1 Oral Presentations

1. **Chenyong Miao**, Jinliang Yang, Schnable JC. (2017) A Bayesian-based GWAS method to identify causal variants in complex polygenic traits. Center for Plant Science Innovation Research Group Meeting. Lincoln, Nebraska.

0.2 Poster Presentations

1. **Chenyong Miao**, Jinliang Yang, Schnable JC. (2017) Comparative GWAS in *Sorghum bicolor* and *Setaria italica*. 59th maize meeting. St. Louis, Missouri.
2. **Chenyong Miao**, Jinliang Yang, Schnable JC. (2017) Comparative GWAS in *Sorghum bicolor* and *Setaria italica*. UNL Spring Research Fair. Lincoln, Nebraska.
3. **Chenyong Miao**, Piyush Pandey, Zhikai Liang, ... Schnable JC. (2018) Analysis of sorghum time-series phenotype data using nonparametric curve fitting and machine learning. Phenome 2018. Tucson, Arizona.
4. **Chenyong Miao**, Jinliang Yang, Schnable JC. (2018) Large-scale simulation studies enabled by HPC reveal the powers of GWAS approaches in dissecting highly polygenic traits in crop species. Supercomputing and Life Sciences Symposium. Lincoln, Nebraska.
5. **Chenyong Miao**, Jinliang Yang, Schnable JC. (2018) Large-scale simulation studies enabled by HPC reveal the powers of GWAS approaches in dissecting highly polygenic traits in crop species. Nebraska Plant Breeding Symposium. Lincoln, Nebraska.
